St. Mary's is not only one of the oldest of our Church Schools for girls, but is one of the highest in grade and in the character of its

work. It is also by far the largest of our Church boarding schools for girls in the United States. The next largest have enrollments of between 130 and 140, while the enrollment at St. Mary's for the past five years has been: Boarding pupils, 150, 157, 152, 187, 178; to which adding the number of other students the totals for these five years are: 239, 244, 242, 301, 279. The number for the present year, though smaller than last year, is well above the average of preceding years. It is hoped that the attendance for the coming year will show an increase even over the banner year, 1912-'13.

The health of the school during the past year has been excellent. There was one case of a dangerous contagious disease. It was a very light case, and served to illustrate the admirable spirit of the school, and the confidence inspired in both pupils and patrons by the vigilance, frankness, and intelligent care of the Rector and the School Physician in providing for the welfare of the school family. The work and discipline of the school were not interrupted, and the result on the whole was beneficial rather than the contrary.

The steady increase in the attendance of pupils is undoubtedly due to the very material improvements made in the building and the general equipment of the school, which have marked the administration of the present Rector. So far as possible, during the past year very great care has been taken in perfecting the means for preventing fires, and providing ready and safe exits from all buildings in case of necessity.

The management refer with special satisfaction to the improvement in the life of the School made by the admirable management of the new dining hall and kitchen, as well as to the accommodation provided by the new wings added a few years ago to the main building. The pupils have better accommodations, better food, better heat, and better light than ever before.

The teaching force has been improved, and improved arrangements of classes and studies are producing better results. The Music, Art, Expression, and Business Departments have continued on a high plain of excellence. In the Music Department alone there are each year from 150 to 175 students. St. Mary's uses no high sounding names, but this number of students, with a musical faculty of nine instructors, constitute what would usually be called a large Musical Conservatory. A Department of Domestic Science has again been added, and during the past year classes have been started in Domestic Art.

In all its departments St. Mary's commands the respect of all intelligent and well-informed educators who know it, and stands distinctly for honest standards and efficiency in work.

All this is most satisfactory and encouraging. But the hopefulness of the situation should seem to emphasize the demands of the work. We cannot stand still. Unless we advance we eventually deteriorate. Our present prosperity and success are unquestionably based upon the

improvements made during the years since the Dioceses undertook the work. More than a hundred thousand dollars has been spent on these improvements. Nearly forty thousand dollars came from the legacy of that noble friend and former pupil of the school, Miss Clement; and another forty thousand dollars was borrowed and remains unpaid. If St. Mary's is to continue its useful course that debt must be paid, and money must be given for needed improvements from year to year. Our main building must be remodeled, as well as the two stone buildings—"East Rock," and "West Rock." A new wing should be constructed to afford permanent and convenient practice rooms in place of the present wooden makeshifts. This wing would also provide additional rooms to take the place of those in the framed building, which should be removed. And above all the admirable Gymnasium under the Dining Hall should be completed and adequately furnished with shower baths and all things necessary for its proper use and enjoyment. Two thousand dollars would properly equip the Gymnasium, and four thousand dollars would be necessary to put in the necessary shower baths, lockers, etc. These are some of the things needed. Others there are hardly less important. And these things will not do themselves. Some generous and large-minded man or woman must take up the matter. We have many persons of wealth and intelligence, many who must be able to see that their wealth has been given them for purposes other than personal indulgence or aggrandizement. May we not confidently hope that by generous gifts while alive, or by noble bequests in the final disposition of their estates, those who are able to do great things for the Church and for mankind, may come to our aid in this good work of making St. Mary's to go on increasing in usefulness, making the world better and happier in the generations to come, as it has been doing in the past?

JOS. BLOUNT CHESHIRE.

President.

The report was referred to a Committee composed of the Rev. E. A. Osborne, Rev. F. J. Mallett, and Messrs. J. C. Drewry, J. H. Pratt, and F. S. Spruill.

The Rev. Wm. H. Hardin read the following

REPORT OF THE BOARD OF MANAGERS OF THE THOMPSON ORPHANAGE AND TRAINING INSTITUTION.

The Board of Managers held its twenty-eighth annual meeting in the office of the Superintendent, at the Orphanage, on the 28th day of April, 1914, a quorum being present, and the Bishop presiding.

The Rev. Walter J. Smith, Superintendent, read his annual report,

also his annual statement as treasurer, which are enclosed herewith. Mr. Joseph G. Shannonhouse also read his statement as treasurer of the permanent and endowment funds.

The appearance and deportment of the children indicate good health, kind treatment, good training and sufficient and judicious diet and nourishment. The condition of the institution is sanitary and comfortable as compared with the average homes of the country, and as far as our present means afford. It is a credit to the Church in the State, and worthy of the most generous sympathy and liberality on the part of our people throughout the State, for it is doing a good work, and has vast possibilities of greater usefulness.

The farm and dairy show a net profit of \$1,180.77. They constitute very important auxiliaries in the support of the institution by supplying wholesome food, affording healthy exercise for the children and valuable training in the business of farming and dairying, and at the same time adding materially to its income as shown above.

The two splendid new buildings mentioned in the Superintendent's report add greatly to the comfort and efficiency as well as to the appearance of the institution, and should command the lasting and deepest gratitude to those whose generosity and self-denying labors placed them there.

The total cost of supporting the orphanage during the past year has been as follows:

From funds contributed, \$6,732.59; farm products sold or used, \$3,559.53. Total, \$10,292.12, making the cost of each child \$12.70 a month. Or, if we add only the expense of the farm and dairy instead of their gross products, the cost will be \$9,101.35, or \$11.17 per capita.

This includes all salaries, namely: the Superintendent, two matrons, two assistant matrons, two school teachers, one music teacher, one sewing teacher, a manager of the farm, and all incidental expenses.

If the above expenses seem somewhat excessive, the present price of labor and cost of living with the salaries of the Superintendent and his staff of assistants will explain the cause, as a small institution of this kind must necessarily cost more per capita than large ones. For instance, the Baptist Orphanage at Thomasville, with three hundred and ninety-seven children, spends only \$9,371.00 for salaries, which amounts to only \$23.61 per capita, while we pay \$4,563.00 for salaries, with only sixty-seven children, or \$68.50 per capita. While our Superintendent and his staff are necessary for these sixty-seven children, the same equipment would be almost sufficient for one hundred children, if properly distributed, and thus reduce the cost of each child to about \$8.00 per month; and upon the same basis, if we had two hundred children the cost would be considerably below \$8.00 a month. Upon the whole, we think the institution is doing well with the means provided for it, and we commend it and those engaged in the arduous and benevolent work of carrying it on, to the generous and sympa-

thetic co-operation and support of all the members of the Church in the State.

Respectfully submitted,

E. A. OSBORNE,

WM. H. HARDIN,

For the Board of Managers.

ANNUAL REPORT OF THE REV. WALTER J. SMITH, SUPERINTENDENT OF THE
THOMPSON ORPHANAGE AND TRAINING INSTITUTION.

To the Board of Managers—Greeting:

The past year has been marked by many interruptions and uncertainties in the working force of the institution, with the usual falling off of funds during the summer months, and yet we have much for which to be thankful, and close the year with a credit balance of \$2,107.24.

On the 10th of May, the twenty-sixth anniversary of the opening of the Orphanage, the Superintendent moved into the Stedman Memorial Building, erected with the legacy left by the late Mr. James C. Stedman, of Fayetteville, and has found it both convenient and comfortable.

On February 23rd, the handsome Federation Cottage, built by the ladies of the Thompson Orphanage Guilds of the State, was opened with appropriate ceremonies, and formally turned over to the Orphanage. It was occupied at once by sixteen girls, with Miss Kate Capehart as matron. This change made it necessary to have a matron for Bronson Hall, and Miss Field, the sewing teacher, was asked to take the position, while her own place was filled for a limited time by Miss Virginia B. Pretlow, of Richmond, Va., who returned home at the end of six weeks.

On the 4th of February, Miss Hampton, matron of Thompson Hall, was married to Mr. McBryde Barrett, son of our former farmer and Miss Margaret M. Proffe of Brooklyn, N. Y., came to take her place till the first of June.

Miss Lucile Barrett, teacher of the Primary Department, having been called home by the sickness of her father, her place was filled for a month by Miss Florence M. Ferguson of Eastover, S. C.

Three of our old girls—Misses Ada Pharr, Vesta Dillon and Carrie Julian—assisted the matron of Bronson Hall at different times during the year, and the last named has helped the Superintendent very materially with his office work.

After being with us about a year, Mr. Barrett, our farmer, was taken sick, and on the last day of the old year he was taken to St. Andrew's Home, in Lynchburg, Va., and after staying there more than a month, he was taken to his old home at Pedlar Mills, where he died a peaceful death, on the 26th day of March. He was a good and faithful man, and he and his wife are greatly missed at the Orphanage. His place was filled by his son till the middle of February,

when Mr. Julius F. Thornton, of Sparrow's Point, Md., came to take charge of the farm.

While we did not sell a great deal from the farm last year, we made more for the use of the Orphanage than ever before, and this year we hope to do even better. Our expenses will be necessarily greater now that the new cottage has been opened, and I wish to ask that all of our parishes and missions try to carry out the resolution of the Convention in regard to the Sunday school offerings, and also that the Thanksgiving offering be made to represent a day's work, or income.

During the year we have received fourteen children into the Orphanage, and fourteen have gone out, thereby leaving the number the same as it was last year—sixty-seven. Of this number, forty are from the Diocese of North Carolina, thirteen from the Diocese of East Carolina, and fourteen from the District of Asheville. We have no room for any more boys, but we could take about a dozen more girls, several applications of which are now under consideration. One of our little boys was discovered to have tuberculosis in the summer, and is now at the sanatorium at Montrose.

During the winter more than half our children were vaccinated by Dr. Hunter, to whom, with other physicians and dentists of the city, I wish to extend our thanks for their kind attention. I also wish to thank the Standard Ice and Fuel Co., and the railroads for their continued favors.

Hereto I append my report as treasurer.

T. A. CHEATHAM,

Chairman.

The resolution was, on motion, adopted.

The Rev. Sidney S. Best presented the following

REPORT OF THE COMMITTEE ON FINANCE.

The Committee on Finance beg leave to report that, through Mr. Albert L. Cox, a member of the Committee, they have examined all vouchers and securities of the Treasurer of the Diocese, and verified them, as shown in the Treasurer's printed report.

The following resolutions are offered:

Resolved 1. That it is inexpedient to change the basis of assessment for the Episcopal and Contingent Fund, and that this assessment for the current year be 12% of Minister's Salary and Current Expenses, and the apportionment for Church Work at the University, 2% of Minister's Salary and Current Expenses.

2. That if collections on Apportionment for Church Work at the University exceed \$600 (the amount pledged by the Diocese), the excess shall revert to the Treasury and be made a part of the Episcopal and Contingent Fund.

3. That inasmuch as the Treasurer's report, closing March 31st, 1914, shows our Parishes and Missions to be in arrears to the amount of \$1,724.38, we regard this as a serious condition, and one that calls for some drastic action. Article IX, Section 6 of the Constitution, deprives of a vote in Convention those Parishes and Missions which are in arrears to the Episcopal and Contingent Fund for three consecutive years; the Chairman of the Finance Committee is instructed, on the first day of the next Convention, to confer with the Treasurer, make up a list of such delinquents, and report them to the Convention as not entitled to vote in its deliberations.

4. That the special assessments be continued as heretofore (See page 45, Journal of 1913), also that the arrears against St. Ambrose, Raleigh; St. Clement's, Ringwood, and St. Timothy's, Wilson, be remitted.

A great many of the Missions which have no minister-in-charge, having failed to pay their assessments, the Archdeacons of the respective Convocations are requested to see that these Missions do not overlook their obligation in this matter, and we urge all Parishes and Missions to pay their assessments "on or before the first days of July, October, January and April, in each year," *as the Canons require*.

The following resolution, offered by Mr. F. S. Spruill, was referred to the Committee: "Resolved, that there be appropriated out of any available funds belonging to the Diocese, the sum of \$600, or as much thereof as may be necessary, to be placed at the disposal of the Bishop for the employment of a stenographer and clerical helper in his correspondence, and other Diocesan duties." The Committee are in hearty sympathy and accord with the spirit of this resolution, but there being no available funds, and no prospect of any for the ensuing year, we beg to report the matter "without prejudice."

The last Convention accepted the *Carolina Churchman* as the official organ of the Diocese, and assumed financial responsibility to it "not in excess of \$500." At the present time, the Diocese owes the *Carolina Churchman* this sum of \$500, while the Diocesan Treasurer's report shows a deficit. We recommend that this amount be paid at once, and that the Treasurer be authorized, if necessary, to borrow the same from any available funds.

Again we remind delinquent Parishes and Missions that their loose way of doing things is causing the Treasurer, and the entire Diocese, great embarrassment.

Respectfully submitted,

S. S. Bost,
Chairman.

On motion, the report was adopted.

The Rev. S. S. Bost, from the Committee on the offer of the library of the late Dr. Murdoch to the Diocese, reported as follows:

The Special Committee, to whom was referred the offer of the Francis J. Murdoch Memorial Library, report as follows:

Resolved 1. That it is the sense of this Convention that we tender to the family and heirs of the late Dr. Murdoch, our deepest thanks for the offer of the library of the late Dr. Murdoch, and that we accept it on the terms and conditions prescribed in their communication of May seventh, instant.

2. That a Committee consisting of the Bishop of the Diocese, the Rev. S. S. Bost, and Hon. John S. Henderson, be empowered to confer with the family and heirs of Dr. Murdoch, and to transfer this library to the library of the Diocese, at such time and in such manner as they may deem expedient.

3. That the Secretary of this Convention be instructed to send to Mrs. Murdoch, as representing the family and heirs, a copy of these resolutions.

The Rev. E. A. Osborne submitted the following report:

The Special Committee to whom was referred the Report of the Trustees of St. Mary's School, respectfully report, that having carefully considered the same they are deeply impressed with the wise and judicious management and administration of the school both by the Trustees and the Rector. We congratulate them and the Church in the Carolinas upon the remarkable and gratifying success which they have attained under the many difficulties with which they have had to contend. We are convinced, and would impress upon our people the fact, that St. Mary's School is one of the most powerful instrumentalities for the permanent strengthening and upbuilding of the Church within the radius of its influence, which is constantly widening and deepening throughout the Carolinas, and even beyond. We earnestly recommend that its good work be encouraged by our people with generous aid and co-operation, both in loyal patronage and financial support, so that the comparatively small amount necessary for its better equipment and comfort may be provided without delay, and the property freed from debt. We therefore offer the following resolutions:

Resolved 1. That the Bishop and Board of Trustees be requested to appoint or employ one or more agents to visit the congregations and also individuals throughout the State, and elsewhere, if necessary and expedient, to solicit funds for making the improvements and additions mentioned in the Bishop's report.

2. That the Trustees be authorized to provide for an issue of bonds bearing four per cent interest, with which to take up the mortgage of \$40,000 on the property of the School.

I. McK. PITTENGER,

Chairman.

The Rev. S. M. Hanff presented the following report, which was adopted:

The Committee appointed to consider the annual report of the Managers of the Thompson Orphanage, desire to report, after examining said report and after considering all other information at hand, that they agree with the Managers of the Orphanage, that the Institution is being run well in consideration of the means provided for its maintenance.

The Committee is of the opinion that the reported balance of the Managers is misleading. The impression goes out from this that there is a balance on hand, when in reality, there isn't enough money on hand to meet the necessary expenses of the institution for the remainder of the year.

We urge upon the Clergy that they emphasize the needs of the Orphanage. We urge upon the Clergy and laity throughout this Diocese the necessity for more real interest in that institution.

We recommend and urge an every-member canvass in every Parish and Mission throughout the Diocese, this canvass to be made during the week before Thanksgiving Day.

S. M. HANFF,
H. S. HARRISON,
A. H. BOYDEN,

The Rev. John B. Gibble presented the following

REPORT OF THE COMMITTEE ON THE STATE OF THE CHURCH.

At the very beginning of this report we wish to extend sincere congratulations to the Clergy and Vestrymen of the various Parishes and Missions for their promptness in sending in their reports.

It is most gratifying to note that all of the reports were sent in, except one, and that should have come from a Parish that is without a Rector.

The facts herewith presented are based upon the reports, some of which your Committee have reason to believe are exceedingly inaccurate, yet we have done the best possible under the circumstances, and have not taken the liberty to indulge in any guess work.

As compared with last year, there has been a decrease in baptisms of 138, increase of baptized persons 290, decrease of confirmations 26, increase of communicants 146, Sunday school teachers 27, decrease of Sunday school pupils 66, Churches and Chapels remain the same, viz: 123. Increase of Rectories 2.

The Church buildings and Rectories of the Diocese amount to a valuation of \$831,350.00 (Church buildings \$723,250.00, Rectories \$108,100.00), an increase in valuation over last year of \$133,175.00 (Church buildings \$119,325.00, Rectories \$13,850).

The amount of insurance carried on this \$831,350.00 valuation is \$517,550.00, which is very near three-fourths of the entire valuation; all that the insurance companies will permit. We are profoundly thankful for this fine condition of the protection of the property against loss by fire.

We regret to report an indebtedness on this property of \$103,297.00.

The total valuation of all the Church property amounts to \$895,148.00, an increase over last year of \$44,757.00.

The increase of alms over last year amounts to \$41.35.

As indicated by reports, there has been a decrease in Current Expenses of \$438.86; a decrease in Ministers' Salaries of \$55.34; a decrease in Improvements and Repairs of \$20,838.09; a decrease in the Total of Parochial disbursements of \$22,825.84.

There has been a decrease in the Episcopal and Contingent Fund of \$282.02; a decrease in Diocesan Missions of \$448.64; a decrease for the Education of Candidates for Holy Orders of \$139.37; a decrease in offerings for the Thompson Orphanage of \$451.63; a total decrease for Diocesan Objects of \$1,706.40.

For General Objects, including all kinds of Missionary Work, there has been a decrease of \$754.38.

In the aggregate for all contributions there has been a decrease of \$24,870.72.

The Bishop, Priests, Deacons and Lay Workers have exhibited the

same earnestness, enthusiasm and zeal that have characterized them in the past.

The Diocese has received several new Clergymen, but there are still several Parishes without Rectors. There are many places where the Church of God could be established if the Diocese had the men and money. The field is indeed ripe unto the harvest, but the laborers are few. We pray God, that more of our wealthy laymen may soon fully realize these conditions and open both their hearts and pocket books for the glory of God and the advancement of His Holy Catholic and Apostolic Church.

The state of the Missionary Work as exhibited by the reports of the three Archdeacons and Treasurers is most satisfactory, and we wish to take this opportunity of publicly acknowledging their devoted faithfulness to the Church and to our Blessed Lord and Master Jesus Christ, with the wish and prayer that God will give them renewed physical and spiritual strength through the coming year to do His will and to spread His kingdom here on earth.

The work of St. Agnes' Hospital and St. Augustine's School as shown in the reports handed in, is deserving of the highest praise and commendation from this Convention.

The Committee feel that the Colored Work in our Diocese should have greater sympathy and help from our white congregations. The total reported amount given to the work of the Colored Convocation by them for the past year was \$72.48.

When we recall the fact that the Committee on the State of the Church last year earnestly called the attention of the Clergy to the resolution passed the year before: "That the Convention recommends that on one Sunday in each year, the Rector of each Parish shall bring the work of the Colored Convocation before the people, and that a special offering be then taken for the work," we consider this small amount a disgrace to the Diocese, whether we consider the great need of the work, or the amount which the colored people, themselves, are giving. According to the Archdeacon's report, the colored people have given for this work, in the last year, \$4,748.56, while the white people have given to help them, only \$72.48.

An increase in offerings in one year to the General Clergy Relief Fund of \$847.25 shows the wisdom of the Convention in appointing the Special Committee on this matter, speaks of the excellent work already done by the Committee, and gives promise of a still brighter future.

We commend this Committee and their work, most heartily.

Your Committee move the adoption of the following resolutions:

1. *Resolved*, That the work among Colored people in the Diocese be removed from "The Objects Recommended," and that Canonical provision be made to require offerings for this work, by amending Canon 13, Section 1, by inserting after line 14, "work among colored people in the Diocese annually."

2. *Resolved*, That the attention of the Clergy and Superintendents of the Sunday schools, be called to the Advent Offerings for Diocesan Missions through the Archdeacons of the three Convocations, who shall provide suitable explanatory letters and boxes for the purpose.

3. *Resolved*, That the Superintendent of the Thompson Orphanage be requested to call, quarterly, the attention of the Clergy and Superintendents of the Sunday schools to the monthly offerings for the Thompson Orphanage and that he publish monthly in the Carolina Churchman, in *alphabetical* order, all offerings and gifts to the Institution.

4. *Resolved*, That the Secretary of the Convention be instructed to change the wording in the Parochial report blanks to read as follows: Church buildings and ground.

5. *Resolved*, That a committee be appointed at each Convention with the Bishop as Chairman, to prepare a program in advance for the following Convention, and that the speakers appointed on this program be notified.

Respectfully submitted,

JOHN BENNERS GIBBLE,
Chairman.

The second, third and fourth resolutions appended to the report were adopted; the first had already been acted on, as recommended by the Committee on Canons, and the fifth was laid upon the table.

On motion the Convention took a recess.

THURSDAY, May 19, 4 P. M.

The Bishop called the Convention to order.

The Rev. Homer W. Starr presented his report as Diocesan Sunday School Commissioner, as follows:

Three Sunday School Institutes have been held under the direction of your Commissioner during the past year. Two of these were in connection with the Convocations of Raleigh and Charlotte, and one was held under the joint auspices of the two parishes in Greensboro. In the Convocational Institutes the Commissioner was ably assisted by his associates and others, and in the Greensboro Institute helpful addresses were given by the Rector of St. Andrew's Church, by Prof. Wade R. Brown, and by Mr. W. A. Erwin, of Durham.

There seems to be evidence that these Institutes have proved of practical value to the Sunday school workers who attended them, and it is a matter of regret to the Commissioner that his duties at Chapel Hill have not permitted him to devote more time than he has

done to this work. Those associated with him as Commissioner have shown a commendable willingness to give him every assistance within their power. No plan, however, has yet been worked out by which much joint action has been possible, except in connection with the Convocational Institutes.

Aside from the Institutes, four additional lines of activity have been continued. A series of articles dealing with various problems of the Sunday school have been published in the *Carolina Churchman*; a goodly number of books have been loaned through our Circulating Library; samples of text books have been distributed for inspection, and an extensive correspondence has been carried on in answer to letters from individual rectors and teachers.

Two unusual opportunities for training in Sunday school work will be offered to the people of our Diocese during the summer. The Annual Convention and Sunday School Institute of the Fourth (or "Sewanee") Department will be held at Sewanee during the first week in August; and the St. Mary's Conference, which will be held at St. Mary's School, Raleigh, during the week beginning June 1st, will be largely devoted to lectures and conferences on the work of the Sunday school. Your Commissioner is planning to take an active part in both of these meetings; and, realizing their great potential value to all who are interested in the cause of religious education, he earnestly calls upon the rectors, superintendents and teachers throughout the Diocese to avail themselves of the privileges which will there be offered.

It is a pleasure to be able to report that your Commissioner has again been impressed by the general interest in the improvement of our Sunday schools which has been manifested in many ways, and to state that through the conscientious efforts of many workers much improvement is undoubtedly taking place. Much remains to be done; and in view of still existing conditions there is certainly no ground for self-complacency. If, however, the present interest continues, and especially if it can be further aroused and strengthened, we may well hope for a marked advance in numbers and efficiency within the coming year.

In this connection your Commissioner calls the attention of the members of this Convention to the action taken at the General Convention of the Church, which met at New York last October, as a result of which the functions and powers of the General Board of Religious Education were enlarged so as to bring within its scope not only the Sunday school but the whole field of religious education.

The General Board is now concerned with every phase of religious education in the Parish, the Sunday school, the Secondary school, the Theological Seminary, and the Church college, besides the religious work carried on by the Church at secular colleges and universities, such, for example, as is being done at our own State University at Chapel Hill.

In view of the enlarged scope of the work now entrusted to the General Board of Religious Education, and with the purpose of further unifying and increasing the efficiency of this work, the General Board has requested that each Diocese create, by action of the Diocesan Convention, a Diocesan Board of Religious Education which shall contain within its membership representatives of the above mentioned phases or departments of religious education, and which shall be empowered to do within the Diocese what is being done by the General Board within the Church at large.

In accordance with this request, your Commissioner offers the following resolution :

Resolved 1. That the office of Diocesan Sunday School Commissioner, created by the action of the Annual Convention of the Diocese of North Carolina which met in Durham, N. C., in May, 1912, be, and hereby is, abolished.

2. That a Diocesan Board of Religious Education, consisting of five members, be appointed by the Bishop at this Convention.

3. That the duty of this Board shall be to work in harmony with the General Board of Religious Education in promoting the interest of religious education in the Parishes, Sunday schools, Secondary schools, and Colleges within this Diocese.

4. That the Diocesan Board of Religious Education shall elect its own officers, shall hold at least two meetings each year, and shall report annually to the Diocesan Convention.

5. That the sum of \$50.00 be appropriated from the Episcopal and Contingent Fund of the Diocese to meet the expenses of the Board for the ensuing year; this amount, or any part of it, to be paid by the Treasurer of the Diocese upon the request of the Chairman of the Board only when such request is approved by the Bishop.

6. That the Treasurer of the Diocese be instructed to pay, out of the Episcopal and Contingent Fund, to the Treasurer of the General Board of Religious Education, the sum of \$120 as the amount apportioned to this Diocese for the support of that work.

Respectfully submitted,

HOMER W. STARR.

The resolutions appended to the report were adopted, with the exception of the last, which was referred to the Committee on Finance.

The Bishop appointed as members of the Diocesan Board of Religious Education, the Rev. Homer W. Starr, Rev. Geo. W. Lay, Rev. A. B. Hunter, Mr. Edwin D. Pusey, and Mr. Wade R. Brown.

Mr. E. G. Muse offered the following resolution, which, on motion, was referred to the Committee on Finance:

Resolved, That the Treasurer of the Convention be instructed to appropriate \$200 per annum for repairs on the Episcopal residence.

The Tellers of the vote for Delegates to the Provincial Synod appeared and announced that there was no election, and another ballot was taken, which resulted in the election of the Rev. Wm. H. Hardin, Mr. J. C. Buxton and Mr. D. Y. Cooper.

There being still three clergymen and one layman to be chosen, the ballot, on motion, was dispensed with, and the Rev. S. S. Bost, Rev. W. A. Barber and Rev. H. B. Delany, D.D., of the Clergy, and Mr. G. P. Burgwyn of the laity receiving the next highest number of votes, were declared elected as Delegates. The election of Alternate Delegates being in order, it was, on motion, agreed that the four clergymen and four laymen receiving the next highest number of votes should be chosen as such Alternate Delegates, and the following were declared to be so elected: The Rev. Francis M. Osborne, R. B. Owens, N. C. Hughes and A. B. Hunter; Messrs. J. H. Pratt, F. L. Williamson, G. C. Lamb and John S. Henderson.

The Rev. Wm. H. Hardin presented the following report of the Committee on the *Carolina Churchman*:

The Committee on the *Carolina Churchman*, appointed by the last Convention, beg leave to report as follows:

We have examined the accounts of the Rev. F. M. Osborne, Editor and Business Manager of the paper, and find that they have been properly kept and are correct. The *Carolina Churchman* is familiar to most of the members of the Convention and speaks for itself. In our opinion it is a valuable asset of the Diocese and one which should be well taken care of.

The only matter of importance to which we would call your attention is the failure of the Diocese to provide funds to meet the appropriation of \$500 made by the last Convention. Acting in accordance with the expressed wishes of the Convention, and under its instruction, the Editor of the *Carolina Churchman* has incurred obligations in publishing the paper which must be met. No part of the \$500 ap-

propriated has been received, and all of it is needed. Mr. Osborne, acting upon the faith of the Diocese, made these debts and should not be placed in an embarrassing position by the failure of the Diocese to provide for their payment.

We would earnestly recommend that if the \$500 appropriation cannot be paid from the Episcopal and Contingent Fund, arrangements should be made to borrow the necessary amount.

We would further recommend that an appropriation of \$300 be made to the *Carolina Churchman* for the ensuing year.

The Committee offer the following resolutions:

1. *Resolved*, That the matter of the payment of the \$500 already appropriated be referred to the Finance Committee of the Convention for immediate action.

2. *Resolved*, That the Convention appropriate \$300, instead of \$500, to the *Carolina Churchman* for the ensuing year, and that the Treasurer of the Diocese be instructed to pay the same from the Episcopal and Contingent Fund.

WM. H. HARDIN,
ALBERT L. COX,
For the Committee.

The resolutions were, on motion, referred to the Committee on Finance.

The Rev. F. M. Osborne presented the following report:

REPORT OF COMMITTEE ON SEWANEE ENDOWMENT.

Your Committee appointed to raise our part of the Endowment of the University of the South, under the "Nelson Plan," regret that on account of the peculiar duties of certain members of your committee no such active canvass was made this year as was made the previous year. However, the Treasurer of your Committee is able to report that \$710 have been collected for the Endowment Fund since the last Convention and duly forwarded to the Treasurer of the University of the South.

The Board of Regents of the University of the South request that each affiliated Diocese recommend that once a year each clergyman preach a sermon on the subject of Christian Education and make special reference at the time to the responsibility of our people to the University of the South.

Your Committee is also of the opinion that a canvass for the Endowment (under the "Nelson Plan" approved by this Convention) should be made in every congregation of this Diocese, and to this end your Committee should be reappointed. In order that the work of your Committee may be aided and the request of the Board of Regents complied with in such a way as to be of practical service to our

Church University, your Committee propose the following resolutions and recommend their adoption:

1. *Resolved*, That the Committee to canvass for funds to pay our proportionate part of the Endowment of the University of the South according to the "Nelson Plan" be reappointed and directed to continue their work for this purpose.

2. *Resolved*, That acting at such time and as far as possible and practicable under the direction of this Committee, each clergyman of this Diocese be asked to preach to his congregation or congregations during the year a sermon on Christian Education, making special mention of our responsibility to the University of the South in such a way as to aid the above named Committee in their work.

Some interesting things in connection with Sewanee have happened since our last Convention. The Rt. Rev. Albion W. Knight has been elected Vice Chancellor and will be installed June 15th of this year. Friends of the University have subscribed \$15,000 a year for five years to meet the current deficit of the University and within the past month another friend of the University has subscribed the sum of about \$8,000 a year for the next five years toward the increase of the salaries of the professors, which up to this time have been pitifully small.

In the past two years the entering classes have been the largest in the history of the University. The Sewanee Military Academy has been placed by the United States Government in Class A instead of Class C as heretofore; thus, in every way the future progress and outlook of the University of the South is hopeful and encouraging.

FRANCIS M. OSBORNE,
FINLEY L. WILLIAMSON,
T. A. CHEATHAM,
WM. J. GORDON,
S. M. HANFF,

Committee.

The resolutions offered by the Committee were adopted, and the Committee was continued.

The Rev. F. M. Osborne presented the following report:

Your Committee on Church Work at the University of North Carolina beg leave to make the following report:

After due inquiry into the condition of our Church Work at Chapel Hill your Committee is pleased to report that they find every indication of excellent and satisfactory progress and work. The members of the Chapel of the Cross are cooperating heartily with the Rector in every department of work, so that the influence of the Church is felt not only by the one hundred and twenty-five students of the University who come from Church families, but also to a marked degree by many others of the large body of nine hundred students who at-

tend our State University. Through an active chapter of the Brotherhood of St. Andrew and through a thoroughly organized Sunday school, the Church extends her help in the University and in the village. The finest spirit of harmony in Church work exists between every element in the village and in the University and this renders the situation of our work more fortunate than that which sometimes exists in other college towns. We may well congratulate ourselves as a Diocese that the small amount paid by us annually for the support of this work is so well used for the benefit of our sons during the critical years of their academic training. Both the Rector and the congregation seem to realize fully the weight of their responsibility and co-operate and labor heartily for a faithful discharge of the stewardship and guardianship which they have assumed for us.

Last year we called the attention of the Diocese to plans for the improvement of the physical equipment of the parish at Chapel Hill. Since then some slight changes have been made in these plans and a large part of the financial cost of these undertakings has been provided for. For some time the parish has been in need of a new Rectory. This the congregation have now undertaken to build at their own expense at a cost of \$4,500. For obvious reasons this new rectory will help the work.

In addition to the rectory the situation requires a parish house. In order to serve the immediate necessity of the case, it is proposed to erect a part of a larger plan. This parish house is to be known as the Battle Memorial, in recognition of the devotion, faithful loyalty and service of Dr. and Mrs. Kemp P. Battle to the Parish and to the Church at large. Both the fine sentiment of this form of recognition of two beloved and revered persons as well as this practical method of securing greater efficiency in our work among the students must commend this object to the generosity of everyone. Certainly if the numerically small parish at Chapel Hill which labors gratuitously for the boys sent to Chapel Hill from this State and elsewhere has so readily provided for the building of a new rectory, the people of the State ought gladly to furnish the money for the Battle Memorial Parish House—the amount required being only five thousand dollars.

Already the work of raising this five thousand dollars has been begun. Thirty-five persons in this State and fifteen persons outside of the State have subscribed eleven hundred and fifty dollars. Another generous donation of five hundred dollars has brought this up to sixteen hundred and fifty dollars, and the donor of this amount promises five hundred more if the total amount is subscribed by July 1st of this year. Furthermore, this generous contributor agrees to advance the money for the immediate erection of the building on the basis of this amount being pledged in due form.

It seems to your Committee that this situation demands immediate action, and so we suggest that at the close of this report the Convention enter at once into a consideration of ways and means of

raising in good subscriptions the additional amount required for the erection of the parish house.

Respectfully submitted,

FRANCIS M. OSBORNE,

Chairman.

The following persons were elected to serve as members of the Committee for the ensuing year: The Rev. Francis M. Osborne, Rev. John B. Gible, Mr. Joseph Hyde Pratt, Mr. Paul W. Schenck and Mr. Hyman Phillips.

Mr. G. Pollok Burgwyn offered the following resolution, which was adopted:

Resolved, That we, the members of this Convention, desire to express our most cordial thanks to the Clergy and congregation of the Church of the Good Shepherd and other parishes in Raleigh, and to the citizens generally for their hospitality and the many courtesies accorded us during our sessions; and further, to express our appreciation of the courtesy of the press in their reports of our proceedings.

The Rev. Thos. L. Trott offered the following resolution, which was adopted:

Resolved, That a Committee be appointed to secure necessary funds to provide a stenographer for the Bishop, and that Mr. Finley Williamson be chairman of this Committee with power to choose his helpers.

The Rev. S. S. Bost presented the following

REPORT OF THE COMMITTEE ON FINANCE.

1. The Committee on Finance, to whom was referred the resolution of the Rev. Homer W. Starr, looking to the payment of \$120 as the apportionment of this Diocese to the General Board of Religious Education, report that in view of the heavy deficit as reported by the Treasurer it is inexpedient to appropriate this amount from the Episcopal and Contingent Fund.

2. According to the instructions received by this Committee from the Convention, we recommend that \$200, or so much thereof as may be necessary, be annually appropriated for repairs to the Episcopal Residence.

3. According to the resolutions offered by the Rev. Wm. H. Hardin and referred to this Committee, we recommend that the Diocese appropriate to the *Carolina Churchman*, for the present year, the sum of \$300 instead of \$500.

The report was, on motion, adopted.

The Rev. John B. Gible offered the following resolution which was, on his motion, referred to the Committee on Canons, to be reported to the next Convention:

Resolved, That Article IX. Sec. 3, be amended by striking out the first four lines, and inserting in lieu thereof the words: In all Parochial elections none shall be entitled to vote but members of the Parish of the age of twenty-one years, who shall have subscribed a declaration in the following words, viz:

At 5:30 o'clock, the hour appointed for the translation of the body of the Rt. Rev. Theodore Benedict Lyman, D.D., late Bishop of the Diocese, from Oakwood Cemetery to the Church of the Good Shepherd, a recess was taken for this purpose.

The Bishop, Clergy and Choir vested met the body at the door of the Church and proceeded to the Chancel, where an appropriate service was said by the Bishop. At the conclusion of this service, the remains were taken to the crypt and placed in a sarcophagus beneath the Altar. The Bishop then returned to the sanctuary and dismissed the congregation with the blessing from Heb. xiii, 20.

The Convention resumed its session, and on motion of Mr. H. A. London, the Secretary was authorized to have printed a sufficient number of copies of the Journal.

The Secretary presented the following report of the Diocesan Association of the Clergymen's Retiring Fund Society:

The Clergymen's Retiring Fund Society continues its beneficent operation and shares with kindred associations the advance of sympathetic interest in the welfare of the aged Clergy. The recent deaths among the members of the Diocesan Association has slightly reduced the number of our annuitants, but new men have been placed on the retired list who will come into the benefits provided for them as soon as they reach the age of sixty years. Our present Diocesan members number 41, of whom 16 are annuitants, the minimum shares of 16 others have been paid up; 9 are still running, leaving still 16 clergy of our Diocese not yet accounted as subscribing members. The share of the Diocese in the last annuity amounted to \$926.

JULIAN E. INGLE,

Secretary Diocesan Association.

The Rev. Homer W. Starr then offered the following resolution, which was adopted.

Resolved, That the Diocesan Board of Religious Education be authorized to apportion among the several congregations of the Diocese the sum of \$120.00 to be paid to the Treasurer of the Diocese and be by him forwarded to the Treasurer of the General Board of Religious Education.

On motion of Mr. H. A. London, the Convention resolved to leave the place and time of the meeting of the next Convention to the discretion of the Bishop.

On motion it was

Resolved, That after the reading of the minutes and the usual closing devotions, the Convention shall stand adjourned.

The minutes having been read and approved, the *Gloria in excelsis* was sung, the Bishop offered prayer, and pronounced the Benediction, and declared the Convention adjourned *sine die*.

JOS. BLOUNT CHESHIRE,

Attest:

Bishop of North Carolina.

JULIAN E. INGLE,

Secretary of the Convention.

APPENDIX A.

ADDRESS OF THE BISHOP.

Brethren of the Clergy and Laity:

We are met in our annual Council, which is the ninety-eighth annual Convention of the Diocese of North Carolina. This, of course, does not mean that the Church has been in North Carolina only ninety-eight years. The Church came with the first white settlers. Our Diocesan Seal bears for its device Amadas and Barlow's pinnance approaching the shores of Roanoke Island in 1584, with the cross of St. George flying at its mast head, and a man standing in the bow holding out a cross to the new-discovered land. The Church has been here all along. But it was not until 1817 that the Church in North Carolina assumed diocesan autonomy, and now, having completed ninety-seven years of organized diocesan activity, we begin with this Convention our ninety-eighth year of organized diocesan life. We review the past year; we take account of our work, and inquire how we have discharged the tasks committed to us; and we look forward to the future, and by common confessions and prayer, and by mutual conference and counsel, endeavor to stir up one another to love and good works, that the glory of God may be increased by the extension of His kingdom of love and peace and righteousness among men.

No unusual or specially noticeable experiences in the Diocese have marked the past year. Our course has, I trust, been the even and normal progress and development of natural and healthy growth.

We have lost from our ranks during the past year one of the oldest and most truly admirable of our Clergymen, the Rev. Johnson Carmon-Davis, who died on the 11th day of March, in Athens, Ga., where he had been residing with his

son, since he gave up active work, and retired from All Saints' Church, Concord, two or three years ago. He was born in 1825, and was of mature years when he came into the Church, having been ordained by Bishop Wilmer, of Alabama, in 1869. He had been for some years a Methodist minister, and at one time began to study for the Priesthood in the Roman Church. Mature conviction and careful study brought him to the Church, and we have had few more zealous, intelligent and loyal Priests than he was for the rest of his life. He was singularly pure, gentle, attractive, and entertaining; delightful and instructive in familiar conversation; a valued friend, and an affectionate pastor. The attachment of his people refused to let him go for years after his failing powers made him desire rest. He was an example to all of faithful devotion to duty, and in the diligent improvement of the powers and opportunities which God had given him, not running after great things, but doing even the least things greatly, in a spirit of love and happy service. He rests in peace, and his works do follow him.

Within the Diocese I have officiated at 150 services; administered the Holy Communion 38 times; preached 76 sermons, and made 20 addresses; baptized two adults and six infants; confirmed 350 persons; officiated at five marriages and two funerals; ordained four Deacons and two Priests; and instituted one rector. The numbers of confirmations and of services are a good deal lower than usual from the fact

that I conclude this report with the end of March, instead of bringing it up to the end of April, as has been my custom heretofore, and, I believe, the custom of my predecessors. Thus April, the most productive month of the year, is left out of this year's report. The April confirmations, for example, would bring the number up from 350 to 501. But as the parochial reports run from April 1st of one year to March 31st of the next, it seems proper that the Bishop's report should conform to the same rule.

The importance of Ordinations requires a more detailed statement of those services.

June 29th, St. Peter's Day, and the Sixth Sunday after Trinity, in St. Ambrose Church, Raleigh, I ordained two young colored men, graduates of St. Augustine's School, and respectively of the Philadelphia and Bishop Payne Divinity Schools, to the Diaconate, Josephus McDonald and Joseph Hoyle Hudson. The Candidates were presented by the Rev. A. B. Hunter. I preached the sermon. Archdeacon Delany, the Rev. Julian E. Ingle, and the rector of the parish, the Rev. James K. Satterwhite, also assisted in the services.

July 6th, the Seventh Sunday after Trinity, in Christ Church, Raleigh, I ordained to the Diaconate, Israel Harding Hughes, presented by his father, Archdeacon Hughes. The sermon was preached by the Rev. Isaac W. Hughes. The Rev. Milton A. Barber, rector of the parish, the Rev. Julian E. Ingle, the Rev. A. B. Hunter, and the Rev. Lewis N. Taylor, also assisted in the service.

In the same church, on the Eighteenth Sunday after Trinity, September 21st, I ordained to the Diaconate, Clarence Greene Prosperi, presented by the Rev. Walter J. Smith; and to the Priesthood, the the Rev. Cyprian Porter Willcox, Deacon, also presented by the Rev. Walter J. Smith, and the Rev. Henry Alpheus Willey, Deacon, presented by the Rev. Sidney S. Bost. I preached the sermon, and was joined in the Imposition of Hands by all the Priests above named,

and also by the Rev. Julian E. Ingle, the Rev. A. B. Hunter and the Rev. Milton A. Barber.

November 9th, the Rt. Rev. Julius W. Atwood, Bishop of Arizona, acting for me, and at my request, ordained to the Diaconate, Henry Clark Smith a candidate of this Diocese, temporarily working in Arizona.

The whole number of our clergy, therefore, remains fifty-seven: the Bishop, forty-six Priests and ten deacons.

The Candidates for Holy Orders are:

None of the places made vacant by the removals above noted have been filled, up to the present time, as most of them have occurred only within the last few months. In other cases the fields of labor of the Clergy remain as they were at our last Convention, with the following exceptions:

The Rev. Clarence G. Prosperi, Deacon, is serving St. Timothy's Church, Wilson, and the Mission at Elm City.

The Rev. I. Harding Hughes and the Rev. Henry C. Smith have not yet completed their Theological studies, and are absent from the Diocese with the consent of the Bishop.

The Rev. Thos. L. Trott has resigned charge of the Mission at Duke.

The Rev. Henry O. Nash has returned from a temporary absence, and has taken charge of the Missions at Southern Pines, Sanford, and Gulf.

The Rev. Cyprian P. Willcox, since his ordination to the Priesthood, has been working most acceptably as Priest in Charge of St. Saviour's Chapel, and also assisting the rector of Christ Church, Raleigh.

The Rev. Jacob S. Hartzell, of the Diocese of South Carolina, has for some months been doing good work in serving the Mission at Hamlet.

The Rev. Hubert A. Parris, a colored Priest of South Carolina, at present pursuing medical studies in Shaw University, Raleigh, has been ministering effectively and acceptably on Sundays in the colored missions at Durham and at Pittsboro.

On account of ill-health, the Rev. Francis Joyner has felt obliged to resign charge of St. Luke's, Gaston, and the Church of the Good Shepherd, Ridgeway, but retains St. Alban's, Littleton, and the Church of the Saviour, Jackson.

THE CALL FOR MEN.

The most pressing demand of our diocesan work at this time is for clergymen to occupy our vacant places. The more important Parishes, made vacant by the removal of their rectors within the past few months, will doubtless be supplied at an early day; but where the field offers little beside hard work, it is difficult to find effective laborers. We need strong and well-prepared men in order to supply our smaller parishes and missions. We have had a larger number of Candidates than usual during the past few years, and have some excellent men now in preparation, but we need more. We should not only have a supply for our own work, but we should be able to send ministers to other Dioceses where the Church is weaker, and to our Missionary Districts at home and abroad. Our Board of Missions has suggested that we should lay before our people the demand which the work of the Church makes for men, as well as for money. They call on us to send to the mission field our quota of men, as well

as our apportionment in money. I commend this subject to the Clergy and laity of the Diocese. You are justly proud that our Diocese has never failed to contribute its apportioned amount of money for the support of our General Missionary Work; and every year we press upon our people their duty in this matter. Let me ask you all to use the same earnest efforts to bring before every congregation in the Diocese its duty of giving also its men to the ministry.

DIOCESAN WORK.

I might say much of the important and interesting Diocesan missionary work in town, village and country. We feel special gratification at the good work done in the new industrial communities springing up all over the Diocese. But you can hear better accounts of them during our meeting from others more immediately engaged in the work. Also St. Mary's School, the Thompson Orphanage, and our other smaller institutions, have their claims upon us all; and as Bishop of the Diocese I trust I am not unmindful of my special obligations to these noble enterprises. But they, too, will be more fully presented to the Convention than would be possible in this address. One thing, however, I feel that I ought to say about St. Mary's School. Two years ago I brought forward the duty of raising a fund for the payment of the debt of St. Mary's, and creating an endowment; and I undertook myself to make an effort to do this work. I must confess that I have not been able even to make an adequate attempt to do it. I have found it impossible to combine that work with the ordinary routine of my Episcopal duties; and as I could not do both, I felt, and feel, that I cannot neglect or subordinate the work proper to my office in the Church, and my pastoral ministrations, even to so important a matter as the permanence and effectiveness of our great school. So much I feel that I should say here, in my Convention address. You are to hear more on the subject in the report of the Trustees of the school to the Convention.

PROVINCES.

The great event of the past year in our Church life was the triennial meeting of the General Convention in New York last October. The full accounts of its proceedings, and of the many meetings of subordinate agencies and organizations, which have appeared in the secular, as well as in our Church, papers, make it entirely unnecessary that I should attempt any account of it. But the action of that Convention has laid additional burdens of responsibility upon the Diocese, and it is necessary that I should refer to some of these.

First and most important has been the erection of eight Provinces, on the lines of the existing Missionary and Judicial Departments. For many years a sentiment had been developing in the Church, in favor of a sub-division of our immense territory into Provinces, after the model of the early Christian Church. The sound judgment of the Church, however, refused to be led into such important action by a mere sentiment; and the constitutional provisions allowing the organization of Provinces under certain conditions, were never really put into operation. But in providing for a more effective missionary organization, it became necessary to divide our numerous and wide-spreading Dioceses into eight Missionary Departments; and in devising a practical scheme of ecclesiastical courts, it was found absolutely essential to lay out eight Judicial Districts. And so, not in following a sentiment, but in meeting the demands of existing conditions, provincial organization developed itself. The action of the General Convention in creating eight Provinces, and merging each Missionary Department with its conterminous Judicial District, into a Province, is in the line of simplification, reducing the missionary, judicial and educational machinery, and associating for common purpose adjoining Dioceses whose situation creates a mutuality of interest and responsibility. We have already experienced the value of our Department

Missionary Councils. No one, who attended the Council held in Charlotte at the end of October, 1912, can doubt the possibilities of such meetings for stirring up missionary zeal and developing our missionary work. The Provincial Synod, new only in name, will be our Missionary Council, and its chief function will be to continue the work heretofore committed to the Department Council.

It is necessary, however, that our action should complete the work of the General Convention, and by a resolution of this Convention we must assume our responsibilities as a Diocese of the Fourth Province, and appoint delegates to the Provincial Synod to be held in New Orleans next November. This Fourth Province, being in effect the former Fourth Missionary Department, is intended to include the Dioceses and Missionary Districts in the States of North Carolina, South Carolina, Georgia, Florida, Alabama, Mississippi, Louisiana, Tennessee and Kentucky. The Synod will have power to make regulations in regard to representation and membership of the Synod, but for its first meeting each Diocese is to elect four clerical and four lay delegates. There will also be some financial obligations imposed upon the Diocese, but probably the same amount heretofore asked for the expenses of the Missionary Council, and for the Department educational work, will be sufficient. Our Finance Committee should be instructed to ascertain what this amount will be, and to include it in our estimates for the current fiscal year.

• PENSIONS FOR THE CLERGY.

Another most important matter, the consideration of which is imposed upon us by the action of the General Convention, is the scheme for a General Pension Fund, to make adequate provision for aged and infirm clergymen, and for the widows and orphans of deceased clergymen. For some years past the trustees of the General Clergy Relief, appointed by the General Convention, have endeavored to deal with this mat-

ter, and too much praise cannot be given to the Rev. Alfred J. P. McClure, their secretary, for his intelligence, zeal and untiring industry in making that fund do all that has been possible in relieving the necessity of our aged clergymen and others dependent on the fund. And his zeal and ability have shown that the method now pursued is wholly inadequate to the end proposed. Had it been possible under our present system to meet the demands of the situation, Mr. McClure would have met these demands. So much in justice should be said of him and of his work. And the other scheme proposed, of raising five million dollars as an endowment, the income from which should supply the needed funds, has been shown to be wholly inadequate, even if it could be carried out. An able committee of the General Convention has therefore brought forward, after careful consideration and thorough investigation, a proposition based upon experience of the greatest and most successful insurance and annuity associations, which very able and competent authorities assure us is the only method by which we can meet the necessities of the case, and provide a reasonable support for those who have so strong a claim upon the Church. The scheme proposed was largely discussed and debated in both houses of the General Convention last October, and received the approval of both houses in its general outline. But to be effective it must be understood and cordially accepted by the several Dioceses, upon whose zealous and generous co-operation the success of any such scheme must ultimately depend. The committee of the General Convention has therefore undertaken, through its distinguished chairman, the Bishop of Massachusetts, and with the assistance of other competent persons, to bring this matter before the Conventions of the Dioceses, and to explain the means and methods by which it is proposed to accomplish the noble end we have in view. We are to have with us in this Convention, the expert adviser of the committee, an able and experienced actuary of New York City, the same gentle-

man who so ably expounded the plans of the committee before the General Convention. As representing Bishop Lawrence and the committee, he will endeavor to make us acquainted with the principles and methods of the proposed scheme, that we may be encouraged to do our part, and may understand the necessity and the utility of what we are asked to do.

I am most thankful to know that no one who speaks on this subject to the Convention of the Diocese of North Carolina will lack patient and deeply interested listeners. Our laymen have already been moving in this matter. They have but recently realized how remiss we have been in this part of our duty, and I am confident that they will be ready to join heartily in any reasonable scheme for the relief and adequate support of those whose lives have been given to the work of the Church. I am sure I need not urge the members of this Convention to give to this matter their best thought and effort.

1894—1914.

In connection with this annual Convention, I cannot fail to be reminded that it is just twenty years since I first occupied this place as your Bishop, presiding in the annual council of the Diocese; and, I may add, just forty years since I attended my first Convention as a lay representative of Calvary Church, Tarboro. When we consider the character of the work committed to us, the preaching of the Gospel, and the building up of Christ's kingdom among men, its responsibilities seem so overwhelming, our best efforts so feeble and inadequate, and our greatest success so petty, by contrast with our continual failures, that in all my ministry I have never been able to feel satisfied with my work, or to escape altogether from the fear that I have been a laggard and an idler. I am sure that every earnest minister of the Gospel must be at times troubled in heart by such reflections. He wonders how so great a work can prosper when committed to

such feeble workmen. I think, therefore, that it may be well, from time to time, that we should look back, and observe the way which we have gone, to see if we may find grounds to hope that the good power of God is carrying on His work even by such as we are.

The history of this Diocese seems to divide itself into periods of twenty years. It was about twenty years from the first stirrings towards diocesan organization to the consecration of Bishop Ives. It was just twenty years from the consecration of Bishop Ives to that of Bishop Atkinson; it was twenty years from the consecration of Bishop Atkinson to the consecration of Bishop Lyman; two days after Bishop Lyman had completed twenty years of his Episcopate he was taken to his rest. Another period of twenty years has passed, and we may pause and take account of our work, and see whether there be anything to encourage us. May we feel that our Master has accepted our imperfect service, and has prospered the work of our hands upon us?

And in beginning this survey we are arrested at the outset by one significant fact. In 1894 this Diocese extended from the Diocese of East Carolina on the east, westward to Tennessee. In 1895 the thirteen western counties were cut off, and erected into a Missionary District. I have not at hand the materials for exhibiting the results of the last twenty years' work in this Missionary District, which was part of our Diocese in 1894. We shall, therefore, necessarily confine our view to the present Diocese, and must, for the purposes of our comparison, take the state of the Diocese as exhibited in the reports given in our Journal of 1896, the first after the western counties were taken off. I must also take my figures, indicating the present condition of the Diocese, from our Journal of last year; so that we shall have the growth of only seventeen years exhibited, instead of twenty; but even so, we may be able to form some approximate estimate of the progress of our work.

The Journal of 1896 shows 75 parishes and missions in the Diocese, with 87 churches and chapels, and 25 rectories; in 1913 there were 112 parishes and missions, with 123 churches and chapels, and 33 rectories. The communicants reported in 1896 were 4,075; in 1913 they were 7,729. In 1896, Sunday school teachers, 371; pupils, 3,216; in 1913, 540 teachers and 6,394 pupils. In 1896 the aggregate contributions during the preceding year for all church purposes are given as \$42,525; in 1913, as \$145,785. The value of all church property is estimated in 1896 at \$310,021; in 1913, at \$850,391. When it is considered that in this estimate of church property in the Diocese, no account is taken of St. Mary's School property, except the value of the chapel and rectory, modestly computed at \$7,500, nor of the Thompson Orphanage and St. Augustine's School, except the chapels; and that the Murdoch Memorial Mission Hall, at Salisbury, is also omitted, it will be seen that \$850,000 is greatly below the value of church property in the Diocese. It is true that neither St. Mary's School nor St. Augustine's is diocesan property in the strict sense of the term. But they are both most important factors in our church work, and their strength and prosperity mean strength and effectiveness in the work of the Diocese. And while the other Carolina Bishops and Dioceses participate with us in the management and ownership of St. Mary's School, the circumstances of its history and situation give it special nearness to our diocesan life, and much the greatest part of its funds for its purchase and development have come from our people.

Perhaps—indeed, I may say, certainly—the most important feature of our work in the past twenty years has been the acquisition of this valuable property, and the organization and establishment of St. Mary's School as a Church institution. Twenty years ago the Church had absolutely no ownership in the property and no authority in the manage-

ment of the school. Its priceless contributions to the life of the Church throughout the South, had been the free gift of the two Smedes, father and son. From 1842 to 1897, fifty-five years, it was their private enterprise. In 1897 this Diocese undertook to purchase the property and to make it a permanent Church school, and called to its aid the Churchmen of the Carolinas. The fifty thousand dollars paid in the original purchase of the property is but a small part of what has been invested in it up to the present time. The building of the Rectory, the Infirmary, the Auditorium, the two wings to the main building, and the Dining Hall, not to mention smaller structures, and the very important addition to the chapel, represent an investment of over seventy-five thousand dollars; while, if the smaller building, with all additions to the permanent equipment and furniture be added, the total amount expended upon the property will exceed one hundred and twenty-five thousand dollars, in addition to the original purchase money. Forty thousand of this has been borrowed, and is a debt upon the property, but the rest has been paid from subscriptions, legacies, and profits from the school, and is no inconsiderable achievement in our Church life.

The Thompson Orphanage has two beautiful new brick buildings, erected within the last two or three years, at a cost of about \$15,000.

St. Augustine's school during the past twenty years has made great and permanent additions to its plant. St. Agnes Hospital, a handsome stone building, estimated at \$30,000, is the largest and best equipped hospital for negroes south of Washington; the stone chapel, estimated at \$10,000; the Geo. C. Thomas Memorial Dormitory, at \$25,000, and the Library and Taylor Hall, at \$10,000, with seven smaller buildings, and additions and enlargements of existing buildings, represent an increased value of over \$90,000 within the same period. It should be remembered, however, that all

this investment in St. Augustine's School comes from outside the Diocese, and is to a very great extent an expression of the confidence and sympathy inspired in the Church throughout the United States by the character and service of Mr. and Mrs. Hunter.

When we examine the condition of our diocesan missionary work in 1896 and in 1913, as exhibited in the reports published in the Convention Journals, we have some reason to feel that we are making progress. Such reports are always imperfect and inadequate, but probably not more so at one date than at another, and so they offer a fair basis for comparison.

In 1896, the missionary work was under the direction of an Executive Missionary Committee of the Convention, and its funds were disbursed through the Diocesan Treasurer. The Treasurer's report for 1896 shows the total contributions during the preceding year to have been \$3,100.00. The missionary work of the Diocese is now carried on by the three Convocations, and their reports, with that of the Bishop, in the Journal of 1913, show the total amounts given for Diocesan Missions for the preceding year, to have been \$6,579.

The exhibit of contributions for General (i. e., Foreign and Domestic) Missions, is even more striking. In 1896 the total of all amounts for this great work is given as \$1,455; in 1913 it is given as \$7,962, a five-fold increase.

And I am glad to be able to state that, as inadequate as the salaries of many of our Clergy still continue to be, there has been a great and general improvement all over the Diocese, and that our Clergy are much better supported than they were a few years ago.

Turning to a different aspect of our diocesan missionary work, we may also feel some satisfaction in the way in which the Diocese has endeavored to meet the special demand created by the wonderful development of our manufacturing

enterprises, and the springing up of new industrial communities on every hand. Nothing has so much interested our people as our work at Mayodan, Spray, Duke, Cooleemee and similar places, as also such suburban missions as the Holy Comforter and St. Martin's at Charlotte, and St. Joseph's in West Durham.

The work of our Woman's Auxiliary shows the same growth and development from 39 Senior and 40 Junior Branches (including the District of Asheville) with total contributions reported as \$2,786, in 1896, to 64 Senior Branches, 28 Junior, and 39 infant in the white congregations, and 12 Branches in the colored Convocation; and total contributions reported as \$6,440, in 1913, in the Diocese as at present constituted.

I believe we have many grounds upon which we may thank God and take courage, as we look back over the past twenty years of our diocesan life. God has blessed our labors. The good work done and the noble examples left us, by the good and great men who have gone before, still bear fruit, and encourage us to endeavor to be followers of them, as they were of the Master. Since I became your Bishop, I have confirmed 9,707 persons, of whom 8,452 were in our own Diocese. I have consecrated 49 churches and chapels; ordained 39 Deacons, and advanced 26 Deacons to the Priesthood.

In conclusion, this beautiful church, opened this week for the first time for its holy purposes, reminds me to say that during this period, of which we have been speaking, there has been a marked improvement in the material fabric of our Churches, and an even more marked advance in the means and appliances provided for our religious work. Not only have we such spacious and beautiful Parish Houses as that of Christ Church, in this city, and of St. Peter's, Charlotte, but many of our smaller parishes, and even our missions, have been so wise and provident as to secure special buildings for the encouragement and convenience of Sunday

school and other parish work. Much of the success of our work at Mayodan and at Duke has grown out of the opportunities and facilities afforded by their spacious and convenient Sunday school and parish buildings.

Twenty years ago there was, I believe, only one stone church in the Diocese; there are now thirteen, including the chapel in Christ Church Parish House. And in the whole State I know of no building, religious or secular, whose interior, for beauty, solidity of structure, and architectural excellence, can be compared with this noble church in which we are now met together. It has been a long and a hard struggle for the devoted pastor and his faithful flock. Few men, I believe, could have borne up under it as he has done, and few congregations would have stood so resolutely by him for so long and weary a task. Its term of conception and accomplishment almost coincides with the twenty years of which we have been speaking. But they have been blessed in seeing their great work accomplished, and brought to a glory of beauty and dignity which they could hardly have anticipated. It is seldom that our achievement exceeds our expectations. It seems to be so in this case. I am sure I speak the common sentiment of this Convention, and I venture to add, of this community, when I offer our most sincere congratulations to the rector and congregation of the Church of the Good Shepherd, Raleigh, upon the fruition of their labors in the completion of this noble structure; and in expressing the devout hope that it may long be to him and to them, in their reverent and diligent use of it, "None other but the House of God, and the Gate of Heaven."

I make two visits a month to the work at Rocky Mount, Holy Hope Mission, and prospects for a strong work there are evidenced by the interest shown on the part of the members. They have succeeded in paying for a church lot at a cost of two hundred dollars and are now seeking a better location, which means a higher price lot, but with a lot worth more now than when first bought, they are confident of being able to purchase any other site most desirable for their

purpose. I am trying to instil into the hearts and minds of the members to be more self-reliant. They have met all the payments on their lot through their own individual efforts and self-sacrifice, which puts them in a better position to ask aid for their church building. There is nothing that will do so much to aid the growth and permanency of work there as the kind interest so admirably shown on the part of the Parish. There is no better means of increasing spiritual life in a flourishing parish and for putting life into a dead one than the grasping of the opportunity for the work of missions the Master has so conveniently placed at our own doors—the church's work among colored people.

Since my going to Winston-Salem in July last, I have had much difficulty in securing a boarding and lodging place. This has caused my absence from the work there too frequently to do any good. There is need, too, of greater harmony on the part of the congregation for effective work. This shows itself in the lack of Auxiliaries. As a whole, the interest of the congregation in their church is dormant.

REPORT OF THE ARCHDEACON OF THE CONVOCATION OF RALEIGH.

*To the Right Reverend JOSEPH BLOUNT CHESHIRE, D.D.,
Bishop of North Carolina :*

During the year ending March 31st, 1914, I have ministered or visited officially in thirty-eight different places within the Convocation, and my official acts performed are as follows :

Services in whole or part	87
Celebrated or assisted in Holy Communion.....	35
Sermons, addresses and lectures	81
Baptisms : infant 22 ; adult 26.....	48
Candidates for Confirmation presented	20
Visits, pastoral and official, more than.....	400

In Christ Church, Raleigh, on July 6th, 1913, I presented for Ordination to Deacon's Orders, Israel Harding Hughes.

During the entire month of August I had charge for the Rev. Alfred R. Berkeley of the Memorial Church of the Holy Communion, Philadelphia.

Since the middle of January, I have given as much of my time as my other duties would allow and my health permit, to the work of canvassing for an interdenominational Church at the State Farm.

The above summary of my official acts does not include any of my ministrations in Philadelphia, nor any visits made or addresses given in behalf of the Church at the State Farm. It does include, however, a service given in my stead at Gulf by the Rev. Jephtha H. Swann, and one at Selma by the Rev. Harding Hughes.

Rev. Harry O. Nash has been serving acceptably at Southern Pines, also at Sanford and Gulf, since the 1st of December.

Rév. Mr. Trott has resigned charge of the Mission at Duke, but continues at St. Paul's, Smithfield.

Rev. E. Lucien Malone has accepted work in Alabama, leaving vacant the work at Louisburg, Kittrell and Franklinton.

Rev. Francis Joyner, on account of his health, has not been able to serve satisfactorily to himself the Missions under his charge.

The field is white to the harvest, but the laborers are few, tells in brief the story of the missionary work in the Convocation of Raleigh.

Respectfully submitted,

N. COLLIN HUGHES,
Archdeacon.

REPORT OF THE ARCHDEACON OF THE CONVOCATION OF

The past year has been, in many respects, one of the most encouraging in the history of the Convocation. With perhaps a few exceptions, the parishes and missions have paid up their apportionments fully and promptly, and in several instances overpaid. This fact, coupled with the generous help of our friends in the way of individual offerings, has enabled us to pay all stipendiaries in full, and leave a small balance in the treasury.

My aim has been to distribute my services as uniformly as possible throughout the vacant parishes and missions, and in addition to preaching and administering the Holy Communion, I have endeavored to visit the homes of all church families, and as many others as practicable, believing as I do, in the inestimable value of the personal touch, as a means of stimulating and maintaining a greater interest among our lay people, in the things pertaining to the Kingdom, as well as the salvation of their souls, the ultimate triumph of the Christian life.

During the past summer, with the assistance of the ministers in charge, missions of a week's duration were held at Ascension Chapel, Davie County; St. George's, Woodleaf; Christ Church, Cleveland; St. Mark's, Bristow, and St. Matthew's Rowan County. These services were largely attended, and much interest was manifested.

It is to be regretted that the Mt. Airy and Mooresville groups of Missions are at present without regular ministrations; however, it is hoped that suitable workers can be secured in the near future.

Archdeacon.

REPORT OF ARCHDEACON FOR WORK AMONG COLORED PEOPLE.

*To the Right Reverend JOSEPH BLOUNT CHESHIRE, D.D.,
Bishop of North Carolina :*

MY DEAR BISHOP:—Before this report is published I shall have spent twenty-five years in the sacred ministry of the Church.

The following is a report of my official acts for the year ending March 31, 1914 :

Services in whole or part -----	120
Sermons and addresses -----	101
Celebrations of the Holy Communion -----	51
Baptisms -----	2
Marriages -----	2
Traveled over 6,000 miles, 5,000 miles within the Diocese.	

I have made 65 visitations to the different mission stations; and notwithstanding the internal problems common to each of them, I have, in every case, seen manifestations of love for the Church and loyalty to her that would be worthy even of those who have had

opportunities to know her better. The changes in the working force of the Convocation during the year will, of course, be stated in your address. Frequent changes are seldom if ever helpful to a work, and we have tried hard to prevent them. The Convocation has been fortunate in experiencing, as a result of these changes, only a temporary check in the spirit of aggression that has formerly characterized its workings.

Mr. John E. G. Small, a catechist and candidate for Orders, was placed in charge of the Mission School in Durham and made custodian of the Mission property there.

The services are generally well attended and without any appropriation he has employed two teachers for the Mission school and increased its attendance from 122, reported last year, to 170.

We are glad to report that the debt left on that property which embarrassed the little flock so greatly, has, through the kindness of sympathetic friends, been cancelled and the property is now deeded to the Trustees of the Diocese. Our Convocation convened in the city of Durham on August 27th last. The character of the deliberations is causing these annual gatherings to be attractive as well as instructive to the brethren. The encouragement which you have given us by your presence has, in our estimation, raised our Convocations to the degree of Conventions in miniature, and we anxiously await the time of their return. The next session of our Convocation will be held in the Thomas Cain Memorial Chapel in Warrenton. On the morning of last Ascension Day a unique service was conducted in the pit excavated for the basement of this chapel. Friends of both races gathered to witness the laying of the first stone in the course of the construction of its walls. We are glad to inform you that the walls are now completed, and being built of concrete blocks, they make a pleasing appearance.

Your colored Clergy, with loyalty to the Church and sincere devotion to you for your many and varied acts of consideration, have resolved that you shall not be ashamed of us. Both our Sunday Schools and our day schools have reached the 1,000 mark, and our churches, in spite of the confusion of statistics, are moving forward. God is surely with us; and in our feeblest, as well as our greatest efforts, we, somehow, feel His protecting care. We gratefully acknowledge the responses which have been made to our appeal in behalf of the Convocation. Our contributions from all sources during the year have been more than \$6,000, which is by far the greatest financial showing that we have ever made.

On the 12th of June last, I was invited by the Bishop of East Carolina to visit the Colored Convocation of that Diocese then in session in the city of Wilmington, and address it on the virtues of the Missionary Jurisdiction plan that had been so nobly championed by our own Diocesan Convention at Tarboro.

This reference reminds me of the debt of gratitude which the mem-

bers of the Colored Convocation feel that they owe each member of this Convention and which, by their vote, they have asked me to express to you. Being conscious of the stewardship which God has been pleased to commit to your care, you have been too kind to cast off or discourage your less fortunate brother, too strong to do other than extend to him the helping hand, too tolerant, even, to thwart his fond hopes of extension, and in spite of the perplexities which the situation has involved, you have gone in front of him until you can bid him God speed on safer ground. For all of this he feels greatly encouraged and would have me assure you that already, he sees by faith, the distant light of a better day that is soon to break upon all of us:

"For right is right, since God is God, and right the day must win;
To doubt would be disloyalty, to falter would be sin."

Respectfully submitted,

H. B. DELANY.

REPORT OF THE PRINCIPAL OF ST. AUGUSTINE'S SCHOOL.

During the year there have been 382 pupils under instruction.

The central tower and north wing of The George C. Thomas Memorial Dormitory were finished and occupied by the girls last September. Another gift of five thousand (\$5,000.00) from the United Offering of the Woman's Auxiliary of 1913 along with other gifts, will enable us to finish the south wing, and we hope to have it finished by next September.

A Trade Building was begun with a legacy of one thousand (\$1,000) dollars from Mrs. Georgina Devereux Townsend of Middletown Conn., and is now under construction and will provide for the young men's industries.

The report of St. Agnes' Hospital shows a large increase in the number of hospital days and in the amount paid by the patients toward their own support.

A. B. HUNTER,
Principal.

REPORT OF THE SUPERINTENDENT AND TREASURER OF
ST. AGNES' HOSPITAL.

During the year we have had thirty-five young women under training as nurses, have had in the hospital 762 patients, with hospital days amounting to 14,947. In addition to these, we have had 682 dispensary cases and 374 operations.

REPORT OF THE WOMAN'S AUXILIARY IN THE CONVOCA- TIONS OF RALEIGH AND CHARLOTTE.

RT. REV. FATHER IN GOD:—We thankfully report for the past year a wholesome growth and renewed activity along all the lines of Auxiliary work.

We have had the advantage of a General Convention year when more than thirty of our members were in New York as delegates or visitors to the General Convention and the Triennial of the Auxiliary.

In January we had the additional stimulus of an Educational Institute, held in Henderson, conducted by Miss Grace Lindley and attended by a large delegation of our members throughout the Diocese, besides representatives from other religious bodies of the city. Partly as a result of this meeting Miss Blacknall of Henderson, and our Diocesan Secretary have offered themselves for work in the foreign field.

Our Diocesan President has continued the work undertaken by her while Secretary, of reviving old branches and forming new ones in parishes and missions when called upon by the rector or missionary in charge. Also of acting as one of the Department editors of our Diocesan paper. She has attended a conference of officers in New York and has visited New York, Philadelphia and suburban towns in the interest of missions of our Diocese. In church, parish house and Sunday school gatherings, in Auxiliary and drawing room meetings she has told of our work in the rural districts, among the negroes and in the mill towns. By this means she has been able to give financial

aid to some of our weak missions and to place a missionary nurse in one of our mill towns.

Some of our branches have held informal drawing room meetings during the year, and at each of these especial emphasis has been laid upon the work of St. Mary's School, Shanghai, China, and St. Luke's International Hospital, Tokyo, Japan. Acting as a member of the National Council of St. Luke's, our president has formed a Diocesan committee and through their efforts \$138 have already been raised for that institution.

It is our sad duty to record the death of one of our parochial officers—Miss Agnes Hairston, whose life of devotion to her family, her neighbors, her Church and her Church's missions has been, and is still, an inspiration to her friends and fellow members of the Auxiliary.

One of our greatest encouragements has been the success of our young women's branches, and the personal missionary work which is being done by many of these young women in their own parishes.

May we venture to suggest that a hearty co-operation of the clergy and suggestive help from them would contribute greatly to the success of our work? We would like to call upon them especially to aid us in the development of the Junior Department, and along the lines suggested at the Church Mission House.

Our financial report for the year is as follows:

Since our last annual meeting these additional methods have been tried by various branches with the object of stimulating the zeal of members and arousing the interest of outsiders in the work: An organized canvass for new members; a canvass for The Spirit of Missions; joint meetings; presentation of Missionary plays; formation of Prayer Circles; the observance of a day for Corporate Communion.

The good results thus obtained cannot be reported in dollars and cents; and yet we trust they may be both seen and felt—*seen* in the outward enlargement of our work—and *felt* in a deeper consecration of ourselves to God's service.

Respectfully submitted,

KATE CHESHIRE,
Secretary.

CHANGES IN THE CONSTITUTION OF THE CHURCH PROPOSED BY THE GENERAL CONVENTION OF 1913 FOR RATIFICATION IN 1916.

ARTICLE 1. Strike out Section 3 and insert in place thereof the following:

SECTION 3. Upon the expiration of the term of office of the Presiding Bishop, the General Convention shall elect the Presiding Bishop of the Church. The House of Bishops shall choose one of the Bishops having jurisdiction within the United States to be such Presiding Bishop, by a vote of a majority of all the Bishops entitled to vote in the House of Bishops, such choice to be subject to confirmation by the House of Deputies. His term and tenure of office and duties shall be prescribed by the Canons of the General Convention.

But if the Presiding Bishop shall resign his office as such, or if he shall resign his episcopal jurisdiction, or if by reason of infirmity he shall become disabled, the Bishop next in seniority by consecration, having jurisdiction within the United States, shall thereupon become the Presiding Bishop until the next meeting of the General Convention.

ARTICLE I, Section 7, line 2. Strike out the words "first Wednesday in October," and insert in place thereof the words: "Wednesday after the first Sunday in October," as the date of the meeting of the General Convention.

ARTICLE IX. To second paragraph add the words: "*Provided, however,* that the General Convention may by Canon provide for a change of the place of trial," in the case of Presbyters and Deacons.

ARTICLE X, line 24. After the words, "Tables of Lessons," insert the words, "and Table of Proper Psalms on Certain Days and Table of Selections of Psalms," authorizing changes in the Lectionary.

AMENDMENTS ADOPTED BY THE CONVENTION OF 1914.

CANONS.

Canon II, Sec. 2, line 7. For *at least two weeks* read "at least four weeks"—prescribing the time before the meeting of the annual Convention at which certificate of lay delegate shall be mailed to the Secretary of the Diocese.

Canon XIII, Sec. 1. After the word *October*, insert: The Convocation of the Colored People, Annually: as an offering required of every congregation in the Diocese.

RULES OF ORDER.

Rule of Order I. For *Missionary Council* read: Provincial Synod.

Rule of Order XVII. Amend to read as follows:

XVII. Nominations *viva voce* for all offices not otherwise provided for shall be in order immediately before the noon recess on the second day of the session. At any time beforehand written nominations may be handed to the Secretary signed with the name of the proposer. All names of persons so nominated for members of the Standing Committee, Deputies and Supplemental Deputies to the General Convention, or Delegates and Alternate Delegates to the Provincial Synod, shall be reported to the Convention by the Secretary on the morning of the third day's session in the form of a ticket on which they shall be printed in alphabetical order. After each list of nominations there shall be left as many blank spaces as there are persons to be elected. These blanks may be used by any voter. The voter shall mark an X opposite the name of each person for whom he votes. On the first ballot these tickets only shall be used, and also in all subsequent ballots except when otherwise ordered by the Convention. On the back of the ticket shall be printed the names of the present members of the Committee, Deputation or Delegation to be elected. If under any particular head more names are marked than there are places to be filled under that head, that part of such ticket shall not be counted, but such mistakes shall not invalidate the vote under the other heads on that ticket. If there is a failure to elect all the persons necessary on the first ballot, another ballot may be taken in the same manner. After the deputies to the General Convention, or representatives to the Provincial Synod have been elected, the alternate deputies shall be elected by ballot from those already nominated for deputies, and from such other names as may be proposed, using the printed ballot if convenient. The collection of ballots shall be called for by the presiding officer at such time as he may see fit, but the business of the Convention shall proceed while the ballots are being made out, and while they are being counted by the tellers. The report of the tellers shall be in order at any time when ready.
